

brain drain. How threatened is your mainframe environment?

If you feel threatened there is probably good reason. Baby boomers are retiring in record numbers. One of the biggest challenges a company can face is a lack of people to run critical infrastructure. This puts the organization at risk.

Your radar is already sensing the growing challenges of the looming legacy systems skills shortage. LegacyNEXT* can help with a comprehensive skills gap risk forecast & practical strategies to overcome these hazards in your organization.

To learn more about how LegacyNEXT can help reduce your business risk, go to www.legacynextstrategies.com/services or call us at 1 (866) 427-2415 ext.219.

*LNS Mainframe Advisory Services are a joint offering of Legacy Next Strategies, a specialist consultancy, and xiBOSS Corporation, a Branham300-recognized technology services firm.
